**SEAN KENNEY'S ANIMAL SUPER POWERS
MADE WITH LEGO® BRICKS
COMING TO THE MILWAUKEE COUNTY ZOO**

This mind-blowing exploration of mysterious animal abilities is set to open May 29

MILWAUKEE, WI - - *Sean Kenney's Animal Super Powers Made with LEGO® Bricks*, a brand-new exhibition featuring awe-inspiring sculptures made from LEGO® bricks, is coming to the Milwaukee County Zoo May 29 through Sept. 6. The exhibit is sponsored by Sendik's Food Market.

From the mind of acclaimed artist, Sean Kenney, *Animal Super Powers* showcases larger-than-life sculptures of creatures who have evolved to possess their very own "super powers" and invites guests to learn the science behind them.

Produced by Imagine Exhibitions, Inc., *Animal Super Powers* is chock-full of STEAM content (Science, Technology, Engineering, Arts and Mathematics) and will inspire budding artists, engineers, zoologists, and biologists to expand their imaginations, get curious and explore in an experience that both educates and excites.

The sculptures and exhibits in *Animal Super Powers* explore the evolutionary, biological, and environmental reasons for amazing animal adaptations such as shapeshifting, super-strength, echolocation, and limb regeneration and asks guests to imagine themselves with the same abilities.

Combining the world's most beloved toy brick with the mythology of super heroes, *Animal Super Powers* provides an entertaining platform through which guests can appreciate the wonders of the natural world.

Tom Zaller, CEO of Imagine Exhibitions shared, "Imagine Exhibitions is proud to partner with Sean Kenney to bring the creative vision of *Animal Super Powers* to the Milwaukee County Zoo. Sean's art is gravity-defying and inspires us to look at ourselves and the world around us from an incredible new perspective."

Come explore the joy and wonder of Sean Kenney's *Animal Super Powers Made with LEGO® Bricks*, open daily to the public at 9:30 a.m. for a limited engagement through Sept. 6.

The exhibit is displayed in the Otto Borchert Family Special Exhibits Building and is \$3 after regular Zoo admission. For more information on the exhibit, please call the Zoo's Marketing and Communications Department at 414.256.5466.
